Our Docket No. NEB-166-PUS

Dear Diana,

This is to confirm our request to have the sequence listing, computer readable copy and statement asserting that the two are identical, transferred from the parent PCT case, application number PCT/US00/26900, to the above-referenced U.S. national case. Our original request was filed on June 6, 2002, as part of our response to the Notification of Missing Requirements. Further, we ask that the Notification of Defective Response, issued on September 30, 2003, be vacated.

Please provide confirmation that our request has been or will be granted by return facsimile to (978) 927-1705. Thank you for your assistance in this matter.
